Dear Friends and Guests of Hermit Basin,

We are getting ready for a great summer. We have many new and returning groups coming. We will be welcoming Dan, Tara, and the boys back on our staff this summer. We will also be saying good-bye to Lindsay as she embarks on a new chapter in her life as a bride. We will miss her, but wish her the best.

We are very excited that our internet has been updated and the speed has improved. It now reaches all the rooms in the motel.

This past fall we added several more fish to the lower pond. This was accomplished with the help of another ministry in the valley who uses fly fishing to minister to others.

The rafting company that we use, Journey Quest, is now providing guided rock climbing trips. They will be offering our guests a 30% discount off their regular prices. They supply instructions and all the equipment needed.

Hermit Basin is beautifully situated in the Wet Mountain Valley at the base of the Sangre de Cristo Mountain range near the town of Westcliffe, Colorado. In addition to conference activities, there are many attractions for every family including hiking in the mountains, paddle boating and fishing (catch and release) in a nearby reservoir, swimming in Hermit Basin's indoor swimming pool, and playing basketball and sand volleyball. Arrangements can also be made for bowling, horseback riding, river rafting, golfing, zip line, or a train ride through the spectacular Royal Gorge in nearby Canon City, Colorado. It is an easy day trip to visit the Focus on the Family campus, Pikes Peak, the Air Force Academy, and the Garden of the Gods in Colorado Springs.

The price this year is \$310.00 per adult and children ages three to eleven are half price, under three is free. A deposit of \$200.00 per family unit is asked when registering. The deposit is non-refundable.

Gratefully Serving Our Lord,

Penny

### December 27-January 2 Christmas Camp

**Pastor Aaron Williams** accepted the Lord at the age of 17 and felt God calling him to ministry. Instead of another part of the world, like he first thought, he has felt a call to help rebuild churches. Their current church has grown to two services, a classic and modern service. Throughout the years he has done ministries in jails. The Williams have a church garden at their farm that they tend along with others from the church. They use the vegetables to distribute to widows and others in the community in Riverton, Kansas. He and His wife Julie have five children.
