Dear Friends and Guests of Hermit Basin,

As we see yet another year come to serve those seeking a quiet place to rest, renew, and reconnect, we are grateful and blessed beyond belief. This year's snowfall has far exceeded last year's snow. It is beautiful. Praise God for his amazing love.

Some of the projects we will be working on are new carpets for stairwells, hallway, and lobby. Also the hot tub is in process of being redone.

Hermit Basin is beautifully situated in the Wet Mountain Valley at the base of the Sangre de Cristo Mountain range near the town of Westcliffe, Colorado. In addition to the conference activities, there are many attractions for every family including hiking in the mountains, paddle boating and fishing (catch and release) in a nearby reservoir, swimming in Hermit Basin's indoor swimming pool, and playing basketball and sand volleyball. Arrangements can also be made for bowling, horseback riding, river rafting, guided rock climbing, golfing, zip line, or a train ride through the spectacular Royal Gorge in nearby Canon City, Colorado. It is an easy day trip to visit the Focus on the Family campus, Pikes Peak, the Air Force Academy, and the Garden of the Gods in Colorado Springs. Among other excursions around the area.

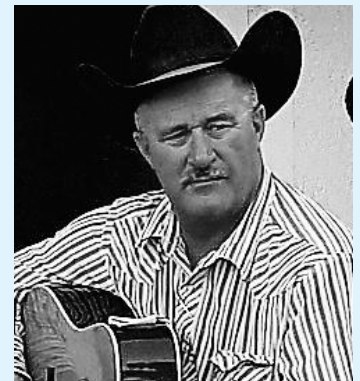

The price this year is \$320.00 per adult and children ages three to eleven are half price, under three is free. A deposit of \$200.00 per family unit is asked when registering. The deposit is non-refundable.

As always we look forward to continuing in serving the Lord with the resources and love He bestows. The blessings that we have seen through this ministry keeps us gladly serving our Lord for His Kingdom.

Gratefully Serving Our Lord.
